

## CAPE TOWN LUXURY package

Cape Town is the most beautiful city in the world, why would you not want to get married here? Okay okay, so I may be a bit biased... I was born and raised here and I love it!

### Included in this Package:

I've designed the Cape Town Luxury Wedding Package specifically with Overseas / Out of Town Couples in mind.

**That said, if your dream is to be married in Cape Town, whether you live here or not - I'd love to work with you.**

If you do happen to be from out of town, I will not only help to plan your Wedding Day but your entire itinerary, while helping you to experience and enjoy the beauty our city and country has to offer.

It's very difficult to quote accurately for a full Wedding Planning Package without having a chat or meeting with you first, but to give you an idea of my pricing, the Cape Town Luxury Package starts at R16,000 and the price increases with your specific requirements.

Each Wedding is different and special in it's own unique way and I'm always happy to chat about your exact budget and discuss how we could work together.

Just keep in mind that if you're looking to go Prince William and Kate style, that price could easily double!

My fee will include planning your entire wedding from start to finish, my services on the day of your wedding, the organization of family members, booking hotels, site visits, schedules, budgets, booking your service providers, décor styling, meetings and just about anything else that you require from me to help bring your Wedding day together.

If you think this package would suit you and your fiancé, then I'd love to meet up for a coffee (or Skype call) and chat YOUR Wedding!
